Ancient Free and Accepted Masons  
The Masonic Center

**Blue Sheet for August-September 2011**

- **Stated – Monday, September 19, 2011, 7:30 p.m.**

**From the East:**

**Gold Letter Campaign.** Let me thanks those Brothers who have already responded to my letter for support for the Oxford Children's Home and Whitestone. We have raised a little over 50% of our goal. We still have some more work to do to meet the goal. If you have not yet made your contribution, please consider making a donation. This is our only annual fund raiser in lieu of other activities. Your support for these two Masonic charities is really important.

What does each officer in the Lodge do?

**Junior Deacon**

Like his senior counterpart, the Senior Deacon, the Jewel of his office is the Square and Compass, however the Junior Deacon's **Square and Compass has a moon in the center** (rather than a sun), which signifies that he is **in the West**. The Junior Deacon of a Masonic Lodge is an assistant officer of the Lodge. He sits to the lower right of the Senior Warden.

The Junior Deacon's principle roles are to assist the Senior Warden by carrying messages from the Senior Warden in the West to the Junior Warden in the South and to guard the inner door of the Lodge. It is his duty to ascertain at all times whether the Tiler is guarding the door and only allowing visitors to enter after they have been properly vouched for. The Junior Deacon and the Tiler communicate with each other by knocking on the door (the Tiler from the outside...and the Junior Deacon from the inside).

Martha Duell is back at home. Brother Bob Poole was in the hospital, but is now home and back at work. Continue to keep the wives of Brothers Shoe, Washo, McLaurin, Asbill and Steele in your prayers. Continue to remember our deployed service members.

Join us at the Stated. It's your Lodge, made stronger when the fellowship is complete.

Finally Brethren – **“Be ye all of one mind.”**

Fraternally -
