Blue Sheet for November – December 2011

- **Stated – Monday, November 21, 2011, 7:30 p.m.**
- **Stated – Monday, December 5, 2011, 7:30 p.m.**
- **Officer Installation – Friday, December 9, 7:30 p.m.**

From the East:

Wrapping Up - The end of the year is fast approaching. November's "Stated" will see us doing '**nervous night**', where each of the line officers moves up to the next station. I have every confidence that they are ready for their new responsibilities and positions of leadership. Please come and support them that night.

For our "Stated" on December 5 (remember that we meet early in December), we will be conducting election of officers for 2012. It is every brother's responsibility to participate in that process to select our leaders, so we need you to be present that night. It is an awesome event to pass leadership in the Lodge.

We will hold our installation ceremony on Friday, December 9. For me it will be a bitter-sweet time, a time to remember the great support each of you has given me this year. It will also be a time to look forward to once again being a part of the 'craft'. I hope you will be able to attend. It will be an open time with friends, families and other lodges invited to observe and assist. All are invited. Come and bring someone.

Gold Letter Campaign – a big thank you to those who supported this effort. It will allow us to make a contribution to the Boys and Girls Home at Oxford and the Whitestone Home in Greensboro, as we continue to support our widows and orphans.

Health and Welfare - Brother John Cook came through his hip replacement. I hear he expects it to cut more strokes off his golf game! Continue to keep the wives of Brothers Shoe, Washo, McLaurin, Asbill and Steele in your prayers. Continue to remember our deployed service members.

Join us at the Stated. It's your Lodge, made stronger when the fellowship is complete.

Finally Brethren – **"Be ye all of one mind."**

Fraternally -

Bob Ervin, Master 2011
