Blue Sheet for January 2012

Brethren,

We had the distinct pleasure of initiating **Thomas Michael Eavers** on January 9, 2012. We got through it but all the Master Masons present agreed that we need work in the ritual and will practice every Monday night at 6 PM. Thank you to everyone who attended and participated in this Entered Apprentice Degree. A special thanks to **Brother Harry Arter** and **Worshipful Brother Mike Klack** for their expertise in this degree work. It will always be my hope that more Master Masons attend our Lodge and get involved.

Let me emphasize again, I really want to have a great year, enjoy fellowship and work together to continue to build a great Lodge. A Rusty Nail Degree is scheduled for February 25, 2012, at the Masonic Center. If you don't know what a Rusty Nail Degree is or know a Brother Master Mason who has lost their way and still a member in good standing— bring him to this degree! If you enjoy hot coffee, Krispy Kreme donuts and like to laugh, then I will guarantee you will have a good time!

I asked for a Chaplain and **Brother Ray Utley** answered the call! Brother Ray loves the Lodge, has the welfare of the Brethren foremost in his heart and comes with years of experience. It takes a special person to be the Chaplain and you can't find a better person to do this important job. Thank you Brother Ray for volunteering!

Light refreshments will be served before our communication in January and February. I need a volunteer each month to bring light refreshments, nothing fancy or extravagant. It is a time of fellowship and important to the well- being of our Lodge. Please consider this request if it is within the length of your cable tow.

Finally, Brethren, if you shoot, save the brass! Fraternally, *Al Tanzilo*, Master- 2012

In Memoriam On December 30, 2011, **Brother Jerry Forrest** laid down his working tools and traveled to the Celestial Lodge of the Great Architect of the Universe. Jerry was an active Shriner.
