Blue Sheet for January 2011

- **Stated, Monday, January 17, 2011, 7:30 PM**
Please join us to kick off the New Year!!

Brethren,

The New Year has arrived and we have work to do! Jimmy Beffert led us “masterfully” in 2010. We are all grateful for his nurturing and spirit. We had a good, but cold installation of officers (the heat would not come on that night!). Thanks to Pastmasters Ted Brisson, John Franklin and Bill Fackler for performing this work. It was a very special night. The ladies made it better.

To quote Brother Beffer, “Not everyone can be a Free Mason. I have been told and believe that we take good men and make them better. This commitment to the ancient craft, if taken seriously, is a lifestyle change. Volunteers in any organization are a premium and the Blue Lodge is no exception. What we do is important. It is important to America, it is important to the community and it is important to our families.” If you believe as Jim does, then I encourage you to attend lodge, become more active and bring missing brothers with you.

The new Line is ready to go. We need our Past Masters to continue to be an invaluable resource. You are loyal, will work and will give great advice if asked.

We have a website for the lodge (www.cliffordduell.com). I will post information about events on the site as well as member info. If you have anything you would like to share, just email it to me.

Remember those Brothers having health issues. Brother Johnny Creedmore in the VA Nursing Home; Brother Claude Capps just released from rehab; Brother John Cook recovering from a hip replacement at home. Also remember the wives of Brothers Shoe, Washo, McLaurin, Asbill and Steele

Finally, Brethren, *“Every human being has a claim on your kind offices. Do good unto all. Recommend it more especially to the household of the faithful. Finally, be ye all of one mind; live in peace and may the God of love and peace delight to dwell with and bless you.”*

Fraternally,

Bob Ervin, Master 2011
