Blue Sheet for May 2011

- **Stated, Monday, May 16, 2011, 7:30 PM**
- **Ladies Night, June 18, 2011, 5:30 PM**

From the East:

We send our sympathy to Brother Terry Hutchins on the loss of his mother. Martha Duell is in Cape Fear Valley Hospital. We send her our best wishes for renewed health, Drop her a card to remind her that you are thinking of her.

What does each officer in the Lodge do? The Junior Warden sits in the south, symbolic of the position of the sun at midday. Because he represents the sun at lunchtime, he metaphorically supervised the Craftsmen when they're at recess, or *refreshment*. He is the number-three officer in the loges hierarchy, and he also may open the lodge, if the Master is unable to attend the meeting. The Master and the two elected Wardens are the only officers who may open a meeting. Only the a Grant Lodge officer may override this requirement.

Please remember the wives of Brothers Shoe, Washo, McLaurin, Asbill and Steele.

Attendance at the Lodge. I know that each of us is busy; involved in family, church, and other activities. It is easy to not make a meeting. "They won't miss me", you say. But indeed you are missed when we do not have the pleasure of the fellowship. Last month, our attendance was quite low. Make every attempt to join us at the Stated.

We have planned our midyear recognition with the Ladies for Saturday, June 18 at 5:30 p.m. at the Lodge. We need to know how many to plan for. Senior Warden Al Tanzillo will be planning the meal. Please call Al at 910-425-5754 to let him know your plans to attend. It will be a great time to visit and see the ladies. Don't miss it.

Finally, Brethren, "*Be ye all of one mine.*"

Fraternally,
Bob Ervin, Master 2011
